

## **What is the Generations in Motion Program?**

- **Generations in Motion** is an injury prevention program sponsored by Hillcrest Regional Trauma Center and the Texas Department of Transportation.
- **Generations in Motion** offers **FREE** bicycle and pedestrian safety educational classes and presentations to children, parents, and members of the community in general.
- Currently, **Generations in Motion** provides services to: Bell, Bosque, Coryell, Falls, Hill, Limestone, and McLennan counties.
- **Generations in Motion** Program Services will include:
  1. Educational Programs for youth and adults
  2. Helmet Distribution Program
  3. Coordinate and Conduct Bicycle Rodeos
